MEET OUR TRAINER

RACHAEL

Rachael is an incredibly skilled and highly experienced senior LT brow artist, specialising in Brow Geometry, Brow Laminations, Hybrid tint and Keratin lash lifts.

She has perfected her craft through years of practice and has gained extensive expertise in the field.

Whats truly remarkable is that she has had the privilege of working alongside Lana in her classes and in salon, which has further enriched her skills and knowledge.

Her experience, talent and passion in brow artistry makes her a true professional in her craft.

WHY CHOOSE BROWCADEMY?

If you are trying to learn the art of Lash Lifting and Tinting and take your work to the next level, this course is for you! In our workshops, Our trainers will be teaching and passing down all of Lana's signature tricks & tips that you can't read about. This course is available for existing brow artists especially beginners who would like to have knowledge of Lash lifting and tinting.

COURSE OVERVIEW

This is a spread-out course suitable for people who are wanting to learn at their own pace, whether it be beginners, or beauticians who are wanting to further their skills and add a new service to their business.

In this course you will gain the knowledge and skills necessary to create beautiful damage-free lash lifts, with the course consisting of theory, live demonstrations and practical assessments guided by your trainer.

This course will be in person for 1 day from 9:30am to 4:30pm and students will then be required to perform 1 fully guided practical assessment on another day selected by them. Students will also be required to send in before and after photos of 2 successful lash lifts for completion of the course.

We have designed the course this way so our students feel they can work at their own pace and really practice the art of lash lifting, so they can feel as confident as possible to offer this service in their own salon.
